

Les meilleures performances belges de tous les temps en marche athlétique

(Version février 2006)

Le document très complet ci-joint est le fruit du travail permanent de Pierre Gabriels et Emiel Van Landeghem qui nous confient gracieusement leur contribution. Qu'ils soient ici remerciés et que leur travail soit encouragé à être poursuivi. Je croise les doigts pour que leur initiative inspire d'autres passionnés de marche à nous faire part de contributions personnelles.

Vous trouverez l'ensemble des meilleures prestations des athlètes belges en marche athlétique jusque 2005 inclus (sauf erreur ou omission involontaire).
